

And he said to them, "Follow Me, and I will make you fishers of men".

3D TRAINING CENTER

A Gap Year Program: Disciple, Develop, Disperse

Spring 2022

Bret Nazworth

As the school year ends, we could not be more delighted with what our God has done over the course of these 9 short months. We have witnessed growth in every person's life and have grown closer to one another through the good and the difficult times we have experienced together.

Virtually every student has a game plan for going forward. Some will return as interns and others will go on to jobs, further studies, and ministry opportunities. We believe they all have the potential to affect their respective church communities and worlds and we pray for great success for each one toward this goal. We are going to miss seeing these emerging disciple-makers, and it is for this very purpose we invested in them. To God be the glory, great things He has done!

"All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; so that the man of God may be adequate, equipped for every good work." 2 Timothy 3:16-17

One Year for the Rest of Your Life

How has your year at 3DTC impacted your view of the Lord Jesus Christ?

- **Julie Myatt** – I think I can say that I have a more personal and intimate view of Jesus. I have not seen Him as clear relationally as I do right now. I see his heart and know Him better as a person.
- **Tato Darjany** – Through my exposure to the Word of God during my time here at 3DTC, I have more and more begun to see that Christ is the substance of a fulfilled life. Though I only begin to understand this (I'm not incredibly mature in this area.) I see that Christ is someone I need. I see Him as essential.
- **Robert Olivarez** – I can truly say 3DTC has changed my view on the Lord Jesus Christ drastically. Being here gave me a closer view of the way Christ was the Plan since the beginning of time, from the time of Adam till His resurrection and now. I know beyond anything that Christ died for me and the world and is my Lord and Savior. 3D has showed me verses in the Bible that clarified some of my questions.
- **Cory Miller** – Having this time at 3DTC, to spend some time studying the Bible, has allowed me to see the Lord Jesus more personally, I believe. Even though I struggle at times, feeling inadequate and like I can't possibly matter to the Lord, the classes have re-focused my mind on Scripture. When I look at Scripture, I cannot help but see 1.) The Lord cares, why else would He give His life? 2.) The Lord equips me, I have everything I need. 3.) He wants to use me. I could live my life to please myself, and at times I am tempted. But seeing Christ, I can't help but be convinced that the greatest joy in life would now be to show Him to others in any way I can.
- **Arianna Church** – I tend to think of Christ as distant since I can't see or speak face to face with him but spending so much time in God's Word has allowed me to get to know him in a way I didn't think I could. I feel closer to Christ than I did before. Also, spending so much time in verse by verse study has helped me weed through a lot of false doctrines I've heard before and I had a hard time distinguishing lies from truth. It's now become easier to look back on those beliefs and not only determine right from wrong but also why they were false, based on scripture.
- **Jayme Nazworth** – One of the biggest things that has stood out to me, especially more recently, is the importance of knowing God. If I do not have a correct view of who God is, I will neither trust Him nor pursue Him. Knowing God should be the basis of my motivation for living the Christian life. I used to preach the gospel of Jesus Christ from obligation – I knew it was important – but now approaching it from the standpoint of knowing God/Christ, I see more WHY it is important to share.
- **Christian Tolliver** – I wouldn't say my view of Him has changed so much as it has just grown. I've always known that Christ wants us to have a relationship with Him but this year I've slowly begun to understand what that looks like in my life and how Christ makes it not only possible, but very simple. All I need to have fellowship with Christ is simple dependence on Him and what He's done for me/us. I have deepened my understanding of how much He truly cares about us having fellowship with Him.

Student Spotlight

Jonathan

One of my favorite courses this year was our Romans 1-8 course. The reason why is because it revealed the solution to my own problems at the time when it comes to dealing with sin. In the past, I was always afraid I wasn't able to go to heaven and didn't have any chance. But after seeing what Romans revealed, I have 100% confidence that I will go to heaven after I die. What I've liked the best about 3D is the fact that I have gotten to meet everyone. The other students are some awesome people. I also liked the fact that we were able to travel to different places and learn some Greek. I have learned so much and it reinforced my confidence in God. I know whatever happens God will be there to guide me through it all.

Julie

When I think about the last 7 months, I see the Lord's fingerprints in every area of my life. He has taught me so much in the last year, whether that be through relationships, trials or His Word. The most valuable thing that I've been learning is that knowing Jesus is meant to be personal. He wants us to get to know Him so that we can depend on Him in everything. Something about God that's stuck out to me is His personal care for my life and the things that matter to me. I've seen Him encourage me and show up for me in little ways that have made me feel seen and valued as His child! I'm more convinced than I've ever been that knowing Jesus is worth everything I'm afraid of losing. I'm encouraged that God knows how weak I am, that I'm not enough and that I fall short every single time without Him because I know I can depend on Him, knowing that He sees my weakness and wants to show me all I could be with His perfect strength. What grace that we have a God who will never give up on us! "And He has said to me, "My grace is sufficient for you..." 2 Corinthians 12:9-10

Javier

The Romans 1-8 course at 3D was something that greatly affected my spiritual life, I did not understand sanctification before but now, I understand how much of a necessity it is in the Christian life. Over the course of the year, I have also learned about the kind of love that you are supposed to have in general, and that was important because I have had a hard time with understanding how to love. Along with that I have been feeling far closer in my relationship with Christ and understand His love to us. Overall, this year has been very beneficial and impactful to my life, and I am grateful that God has led me here.

..the Word of the Lord endures forever (1 Peter 1:25)

Spring Classes: Texas & Georgia

And just like that, our gap year program has made it to graduation! Each module provided students with curriculum, notes, and resources that can be used in evangelism and discipleship in the years to come. We are thankful for all that we have studied this school year. Please read on for an overview of each module that we covered.

1 Timothy (Guest Teacher: Doug Wilcox)

This course consists of a verse-by-verse study of 1 Timothy. Within this letter from Paul to Timothy, we find how one ought to conduct himself in the household of God, the church. This is important because the church functions as the pillar and support of the truth of the Word of God in this world. Analogized to a household, this study provides practical instruction on Christ's masterpiece.

Titus (Guests: JT Beckman)

This course consists of a verse-by-verse study of the book of Titus, covering the diverse topics of church leadership, false teachers, godliness, and the grace of God. Paul had commissioned Titus to the island of Crete to set in order what [remained] and appoint elders in every city. The churches at Crete were in great disarray and confusion due to the cultural issues and the lack of local church leadership. This letter provides a practical picture of the challenges local churches face and instruction on how to correct those challenges. In Paul's letter to Titus, we discover God's expectation of local churches and how God's grace is sufficient for every struggle.

Rapture Seminar at Sugarland Bible Church (Pastor Andy Woods)

On the Friday before our 3D trip to Georgia we went to Sugar Land Bible Church for a day long seminar led by Pastor Andy Woods. We had a wonderful time studying scripture passages in reference to the pre-tribulation rapture .

Jude & Philemon (Guest Teachers: Pastor John Clark, Rob Armstrong)

The verse-by-verse study of the book of Jude covered the topics of false teachers, apostasy, and God's judgement. Jude focuses on exposing the adversaries while emphasizing God's love and care over His own. The course on Philemon is the study of a letter that tracks a beautiful story of how God's grace leads us to practically forgive others. Paul wrote this letter as an appeal for his new son in the faith, Onesimus. This story is a practical example of grace living as shown through forgiveness of others who have wronged them. This remains an undying example of how the gospel transforms interpersonal relationships.

1 Peter (Guest Teacher: Pastor Eric Johnson)

Peter's first letter starts by grounding his audience in the bedrock of their amazing salvation, serving as a lens through which we can view suffering. Peter discusses the topic of submission and how the Christian approaches life as a citizen, an employee, a wife or husband, using Jesus Christ as our ultimate example of submission to unjust suffering. In the final part of the book, Peter dials in on the topic of suffering in general. Peter explains the purpose of suffering, the pattern of suffering and how to prepare for suffering among other topics.

Daniel (Guest Teacher: Pastor Mark Land, Carlos Tellez)

Referred to as the key to prophetic revelation, the book of Daniel functions as a foundational study for understanding eschatology, the study of the last days. From a thematic standpoint, Daniel's prophecy can be divided into two parts: Chapters 1-6 is the historical record of Daniel's life. Chapters 7-12 are predictive in nature, revealing events that are destined to soon take place. The entire book, however, contains prophetic dreams and visions scattered within, some of which were fulfilled in Daniel's lifetime and some of which will be fulfilled in the future. Within the pages of this prophecy, we learn about the times of the gentiles, God's plan for Israel and the nations, how to live as a Christian in a hostile environment, and God's ultimate plan for human history, from the time of Daniel to the end of the age.

Revelation (Pastor Mark Land)

This course consists of a verse-by-verse study of the entire book of Revelation. Apostle John received a dynamic vision on the Island of Patmos and was tasked with writing down everything he saw, revealing the things which must soon take place. This 22-chapter book can be divided into three parts. Chapter 1 consists of a vision of the glorified and resurrected Lord Jesus Christ. Chapters 2 and 3 consist of seven letters from Christ to real churches that existed in Asia Minor at that time. Chapters 4-22 consists of the futuristic portion of the book, granting the reader in-depth details about how God will ultimately judge this world and restore all things to Himself. The book of Revelation covers diverse topics such as the future of the church, the seal, trumpet, and bowl judgements, the events of the tribulation, the culmination of the war between God and Satan, the flight of Israel, the anti-Christ and false prophet, the 2nd coming of Jesus Christ, Babylon, Armageddon, the new heavens and new earth, and much more. Revelation builds upon the foundation of Daniel, serving as the capstone for finalizing an accurate eschatological framework.

Graduation!

Student Life & Ministry

We are so very excited to share that in the past few months 3DTC students have done an amazing job of planning and being involved in further local ministry opportunities. These have been great practical experiences in both discipleship and evangelism. Some of the opportunities have been:

- Camp Pearl Kidz Camp: All 3DTC Students
- Men's Bible Study: Cory, Jayme, Christian
- Local Church Wednesday Night Teaching: Christian, Jayme, Robert, & Javi
- Faithful Academy Chapel Teaching: Karis, Jayme, Cory
- Summer Tour Youth Conference Planning: All 3DTC Students

Please keep us in prayer as 3DTC begins the summer practicum. There will be five weeks of youth conferences during this year's tour. After this, we will have the July Women in the Word workshop where each lady from 3DTC will be able to serve in different capacities. Finally, Tato and Karis will be organizing a DM2 Hebrews 10-13 conference at Spokane Bible Church in August. Please see the following page for flyers and registration links for the summer events.

Therefore I urge you, brothers and sisters, by the mercies of God, to present your bodies as a living and holy sacrifice, acceptable to God, which is your spiritual service of worship. Rom. 12:1

Summer Practicum Plans

2022 DM2 SUMMER BIBLE CONFERENCES!

Texas: First Baptist Church at Combes (June 13-17)

Georgia: Grace Community Fellowship Church at Newnan (June 20-24)

Virginia: Fellowship Bible Church at Winchester (June 27-July 1)

Texas: Beaumont Bible Church at Beaumont (July 4-8)

Texas: New Braunfels Bible Church at New Braunfels (July 11-15)

REGISTRATION INFO IN CAPTION

August 12 - 15
